Analog based Solution Network Diagram

Analog based Solution Network Diagram

IP based Solution Network Diagram

Advantage over Analog based Scheme

- Location Free via Internet
- No Need Full Mesh Line or N : N Video Switch
- Call Transfer, Call Hunting, etc Various Supplementary Service is Possible
- Various Smart Tablet, Phone Application Software
- High Scalability compare with Analog based Scheme
- Fault Tolerant Scheme like as Dual Redundancy is Possible
- Value Added Supplementary Service is Possible
- Interoperable between IP device is very simple and easy if standard protocol/codec is used

Thank you!
